

to let you see it

Preary city June 3th 1866

White Sulphur

~~I am~~ dear and sun I am,

Dear douter and sun I now sit
down to write these few lines to you
to let you no that we are all well
and hope tha will find you the
same the wether is very fine
ivery thin looks well we have
got the best looken pees of weat
I hiver had hour corn looks
well only the wire worm took
it a little we had to plant
litle of it over a gain gras
is in a bundence the rail road
is most dun graden by us tha
are with in three mile a lain
track has nite tha will be in
preary city in to weeks with
the cars we have comences brakin
preary again we meon to brake

it all out this summer and
we can fence it all in next
winter we have got plenty of
timber to fence nother one or to
farmes in yet John wants
williom to take care of is money
make all he can this year and
then come out hear and by you
self a home we was glad to
hear that he was got home all
safe we hope you will come
out and see us this fall and
see wat looken cuntrey it is
send us word wat a prospect
you have for cropes i heard
it was very wel This spring
out thear send mee word whether
you have heard aney thing of
hunkel william I sent him
a letter and he never got it
it was advertised and come
back a gain I cant think wat
has be come of him for we cant

hear a word from him
Faver is worken out she is
liven at the stage stason
in preary city the rest are
all at home tha all send
thar best recsptes to you.
all and want to see you
all Emenes kisser Laveres picken
ivery time she can get at it
and wishes she was out ear to
go geten straubers with her
tha get plenty now on the preary
and so i must conklude by
tellen you to rite soon and
send us all the nuse
you can

But we still remain
your Loven Father and
Mother John and Alice
