

Jimmie had some points made, so you may have this one, but may I have the rest?!

Dear Enid,

Monday - back at work again after the grandest vacation.

Next week we have our finals for Winter Quarter.

Max & I are moving into a double in the new wing at the beginning of the Spring Quarter. I think will like it - on ground floor - and it really is much nicer.

It was so nice & spring like until Sat. then we had another snow storm. It's melting now, but it's still cold.

Last Thurs. nite E.E. had a dance at Dr. Kelley's. Had a grand time. Jimmie said he wouldn't have missed it for anything. Ken was there - I played with him, which bothered Jimmie a lot. We had cherry-pie & so-made hot chocolate or coffee. It was all so good! And there was a perfect moon, too. That was Thurs. nite. Jimmie went home Fri. nite & came back Sat. afternoon. We saw Cimarron Sat. nite & went to the dance. It was grand. Then Sun. afternoon we

saw the Little Ministers. It was perfect. Jimmie didn't want to go but I argued. Afterwards he said he enjoyed it a lot. He's a darn sweet kid and will soon have been going with each other for two months steady. He told me I was the first girl he had ever gone with for more than a week at a time.

By the way, Max called me Infant once when we were with Jimmie. I explained & now he calls me that too.

I'm going to make a green silk flat crepe dress. I'll enclose a sample. It's bright, but I think (I hope) I can get away with it. Simple with white collar and cuffs. I've also ordered some navy & white pique for a sailor dress. I'm crazy about them. I'll make it too. It takes Ada forever, & besides she has so much else to do.

Told you about Earl. He wants me to write once a week. I think he's afraid I'm slipping.

Please return the pictures when you write, won't you. I'll have some made of the ones you like if you wish or I can send the films. It's nearly dinner time.  
Love, Ethel
