Dear Ethel,

It was very nice of you to invite me to visit you a few days. I would love to come. I want to get better acquainted with you and also meet Anid. I can't think of a better opportunity, and I certainly appreciate your thoughtfulness.

Harry and I discussed what we thought would be most convenient for everyone. I will leave Miami on the Greyhound Bus at 4:15 P.M. and should arrive in Phoenix at about 7:00 P.M. on Thursday, August 24th. Don't worry about meeting me on time — I don't mind waiting. I plan to return to Miami sometime Sunday, August 27th.

I'm looking forward to seeing you a week from this (Thur.) evening.

Very sincerely,
Julia Ahlhausen
